

Temporary Water Service Agreement

Temporary water service allows Landlords or Property owner to clean up after tenants vacate their premises. The following policy shall be applied:

1. A \$ 30.00 service fee will be charged to the customer and the meter will be left on for a maximum of (5) days. Water used above the minimum usage (1500) gallons will be charged to the customer at TBCD's current rate at the time of usage.
2. Customers requesting more than (5) days of service will be required to pay TBCD's normal deposit and any other fees associated with establishing service the district.
