Service Termination Request

Date: _____

Customer Name: _____

Account No. : _____

Service Address: _____

Phone No.: _____

Name and address that refund (if any due) should be mailed to:

Date you would like service to be disconnected: _____

Please read and complete the following:

I request that service at the above service address be terminated on the date indicated above. I understand that my final bill plus a disconnect notice of \$20.00 will be deducted from my customer deposit and if a refund is due, it will be sent to the address listed above. Furthermore, I understand that I am responsible for any outstanding balance that may remain after the deposit is applied. I also understand that future service will require a new service application, payment of a new meter deposit, payment of any previous delinquent charges, and a connection fee of \$30.00.
