Re: Separation of Multiple Connections

Dear: Trinity Bay Customer,

Notification to customers with multiple connections was given with a request for voluntary separation. Due to low response, it was put on the Trinity Bay Board of Directors meeting agenda. At the April 11, 2012 meeting, a mandatory separation of multiple connections was put into effect.

Arrangements must be made to abide by State law to separately meter residences.

All arrangements (tapping fees and deposits paid in full) must be made (60) sixty days from the date of this letter. If no response to this letter by June 11, 2012, service will be disconnected.

The cost of separation is \$ 200.00 for a $\frac{3}{4}$ inch service. There will also be a required \$ 200.00 deposit per account.

If you have any questions, please feel free to call our office at:
(409) 267-3111 or (409) 296-3602

Thank you,

Jerry Shadden
General Manager
