REQUEST FOR QUALIFICATIONS

The Trinity Bay Conservation District plans to apply for the upcoming Hazard Mitigation Grant Program (HMGP) for DR-4485 Covid-19 from the Texas Division of Emergency Management (TDEM). Accordingly, the Trinity Bay Conservation District is seeking to contract with a qualified engineering firm to conduct an engineering study if applicable, determine scope of work and prepare all preliminary and final design plans and specifications, and to conduct all necessary interim and final inspections. These services are being solicited to assist the Trinity Bay Conservation District in its pre-award and post-award engineering services of its proposed HMGP project(s). Please submit 3 copies of your proposal of services and a statement of qualifications for the proposed services to the address below: Attn: Trinity Bay Conservation District – Jerry Shadden, General Manager, P.O. Box 599, Stowell, Texas 77661, 2500 Hwy. 124, Stowell, Texas 77661. Proposals shall be received by the Trinity Bay Conservation District no later than 12:00 P.M. on Monday, May 9, 2022 to be considered. The Trinity Bay Conservation District reserves the right to negotiate with any and all individuals or firms that submit proposals, as per the Texas Professional Services Procurement Act and the Uniform Grant and Contract Management Standards. Minority Business Enterprises, Women Business Enterprises, and labor surplus area firms are encouraged to submit proposals. The Trinity Bay Conservation Districts is an Affirmative Action/Equal Opportunity Employer. Servicios de traducción están disponibles por petición.
